A. D. BELLINGWOOD, Proprietor.
Bethel, Me.

TERMS: \$1.25 per year, payable in
advance.

Entered in Bethel, Me. Post-Office as
Second Class matter.

SINGLE COPIES OF THE NEWS.
Single copies of the News are three cents
each. For convenience of patrons single
copies of each issue for sale at the following places:
Bethel, W. F. Lovejoy & Co.
South Paris, S. N. Hamlin.
Rumford Falls, C. H. Clifton.

Christmas comes a week from
next Wednesday.

Abial Chandler has gone to Au-
gusta for treatment.

Miss Marshall is still selling
boots, shoes and rubbers at cost to
close out.

In the next number of the News
we shall have a word to say about
our advertisers, the line of goods
they carry, etc.

Miss Hattie Harris and Miss An-
gie Chapman attended the Christ-
ian Endeavor convention at Berlin
last week.

Died, in Morgan City, La., Dec.
7th, Marie Louise Gray, aged two
years and six months, infant
daughter of Wm. B. and Louise
Gray.

The Ladies' Club is making prepa-
rations for an entertainment to
be given in the near future, which
is believed to be unequalled by any-
thing ever presented in Bethel.

G. R. Wiley has an elegant stock
of Christmas goods. The stock
comprises choice books, stationery,
calendars, cards, toys, etc., and
is about as good as you will ever find
in a country store.

Why send your pictures away to
be enlarged? Our young artist, Ir-
ving Kimball, can make a better
crayon portrait for the money than
you can get in New York or Chicago.
If you don't believe it, call at
his Studio and examine his work.

We have received an illustrated
calendar from the Maine State Fair
Society. They show considerable
enterprise in their early calling at-
tention to their fair for 1896. The
date fixed is August 31st, and
Sept. 1, 2, 3 and 4, 1896.

W. F. Lovejoy has moved from
the Bethel House into the "Elms"
for the winter, and the Bethel
House will be closed. The Elms
has been fitted with steam heat,
newly papered, etc., and is now in
good condition to accommodate
guests.

The chicken pie supper at the
Universalist church last Wednes-
day was well attended; the supper
was a most excellent one, and re-
flects much credit on the ladies
who prepared it. The ladies of
this society have a way of making
their social gatherings very enjoy-
able, and the one of last Wednes-
day was no exception.

REV. DANIEL GOULD.
On the first page of this number
we give a cut of the Rev. Daniel
Gould, for whom Gould's Academy
was named. He was born in Top-
sfield, Mass., in 1753. He was a
graduate of Harvard College, and
was admitted to the church in
Topsfield in 1783. He came to
Bethel and preached as a candi-
date in 1793, and was installed as
the first settled minister in Bethel
in 1799. He remained in Bethel
until 1815.

STAGE GLINTS.

Florence Everett has been engaged
for the support of Louis James.

Falliot Paget has been engaged to
replace Madeline Bouton in the Robert
Hillman company.

Murray and Mack will present a new
Irish comedy next season entitled "Win-
negan's Constancy."

Emma Pollock has been specially en-
gaged by Neil Burgess to play Taggs in
"The County Fair."

George Portenque has left the "A
Stage Party" company, and Charles
Cooke has taken his place.

Charles Frohman has taken four weeks
at Palmer's theater, New York, begin-
ning Jan. 6, for John Drew.

Beatrice Moreland has scored a hit in
the leading role in "The Globe Trot-
ter's" company. She replaces Mrs. Bou-
cicault.

John E. Kellard will play in "The
Heart of Maryland" for the rest of the
season. He was originally engaged for
ten weeks only.

A. R. Wilton, manager of "The Mid-
night Flood," and Alice Roseland, lead-
ing lady of that organization, were
married at Dayton, O.

"Saved From the Sea," by Arthur
Shirley and Ben Lendock, will be elab-
orately produced at the Bowdoin Square
theater, Boston, after which it will
make a tour.

Eleanora Duse will sail for this coun-
try Jan. 29. Her American tour will
begin Feb. 17. Duse will have at least
one new play. It is by Verga, who wrote
"Cavalleria Rusticana," and is entitled
"The She Wolf."

GEMS OF THOUGHT.

Good taste is the flower of good sense.

Truth is unobscured, but our ideas of
truth are not.—Booth.

No degree of knowledge attained by
man is able to set him above the want
of hourly assistance.—Johnson.

What reason, like the careful ant,
draws laboriously together, the wind of
accidents sometimes collects in a mo-
ment.—Schiller.

"More than the third," she faltered
coolly.

"Oh, I don't know," rejoined the in-
souciant youth. "I haven't kept count,
but I should say yours was certainly
more than the third."—Detroit Trib-

NEW YEAR'S BALL.
The Firemen of Bethel are to
give their Second Annual Ball, at
Odeon Hall, on Dec. 31st, 1895.
There is to be an excellent farce pre-
pared by local talent, in the early
part of the evening. Also music,
etc., by the Orchestra. The admis-
sion to this will be 15, 25, and 35
cents. After the entertainment
there will be a grand Ball, at which
music will be furnished by Stearns
and Norsworthy's Orchestra of
Norway. The proceeds are to be
used for purchasing a fire bell, a
part of the funds having been raised
for this purpose last year.

The object is a worthy one and
we trust everybody will take a per-
sonal interest in the matter and
thus make it a success.

GOULD'S ACADEMY NOTES.

The classes are now under way in
the work of the term. Bertha Cross
joined her class Monday. The class
of ninety-six has a new member,
Walter Lawrence, who will
graduate from the Commercial
course. The class reading the Eng-
lish literature required for College
was organized Tuesday and will
meet twice a week. The subjects
for the first compositions have
been announced. They are as fol-
lows: Would it be for the interest
of the United States to annex Cana-
da? Second, India Rubber. Third,
A New England Winter. Each of
the seniors instead of the declama-
tions and compositions required of
the others, will speak two original
essays this term. Alice Carter,
Blanche Bartlett, Maud Howe,
Blanche Mills, and Lillian Morrill
are the new scholars so far this
term. Miss Carter has attended the
Academy before.

spected member, and that we unitedly
mourn the loss of this link
from the chain of our order, whose
binding links typify our union and
the closeness of our fraternal ties:

That at this time we are impressed
even more than ever, of the mean-
ing of the words Friendship, Love,
and Truth, and of the great and
noble work that our order is engaged
in.

That through the weary years
of suffering there has been a tender
feeling of sympathy and brotherly
love ever manifest in our Lodge.

Resolved, that we extend to the
family, who so tenderly and care-
fully attended our brother, the united
sympathy of this Lodge, and assure
them that we shall ever regard
with thankfulness, their tender
and faithful care for him. Resolved
that a copy of these resolutions be
sent to the family of the deceased
brother and to the Bethel News
for publication and also spread upon
the records of this Lodge.

C. Mason, } Committee on
S. E. York, } Resolutions.
S. L. French, }

We are glad to see that Benj. F.
Russell of Missouri has been elected
to the office of Sergeant at Arms
in Congress. Mr. Russell was the
son of Benjamin Russell, who lived
on Mount Abram in Greenwood,
and moved from there in 1870, and
he and his wife died that year
within thirty-six hours of each
other, and were buried in one
grave. Benjamin F. was the
youngest son of a large family. He
has received many honors from
his state, having been in the Legis-
lature, and has also edited a paper
for many years. We think he was
a student in Gould Academy be-
fore he went west.

The Bethel Grange, held its an-
nual election of officers last Sat-
urday, resulting in the choice of the
following:

Charles F. Abbott, Worthy Master.
E. F. Cushman, Overseer.

Mrs. T. H. Chapman, Lecturer.
Mrs. N. F. Barker, Chaplain.

Charles E. Valentine, Secretary.
Mrs. L. M. Valentine, Treasurer.

Edwin Barker, Steward.
John F. Howe, Assistant Steward.

Mrs. C. F. Abbott,
Lady Assistant Steward.

Leander Grover, Gate Keeper.
Mrs. E. F. Cushman, Ceres.

Miss Lizzie I. Grover, Pomona.
Miss Sadie Abbott, Flora.

The Grange voted to send their
Worthy Master elected as delegate to
the State Grange, held in Bangor
the 17th to 19th of this month.

With the departure of another year
when a review is made of the condi-
tion of affairs, it is only right that
some thought be given to the phys-
ical body which enables everyone to
battle with life's problem and figure
for themselves the profit or loss on
the trial balance sheet. Though the
bank account may be large and
each one's material gain be great, it
would not be surprising if it suddenly
dawns upon many that good health
has been greatly impoverished by the
low condition of the blood. It is in
this state the lactic acid in the vital
fluid attacks the fibrous tissues, par-
ticularly the joints, making known
the local manifestations rheumatism.
Thousands of people have found in
Hood's Sarsaparilla, the great blood
purifier, a positive and permanent cure
for rheumatism.

Notice of Sale.
Pursuant to a decree from the Hon. Judge
of Probate, for the County of Oxford, I shall
sell at Public Auction, on the fourteenth day
of January, 1896, at ten o'clock in the forenoon
at the office of Frederick and Clark, in Bethel,
Maine, all the right, title and interest which
Frederick A. Clark, late of said Bethel, had in
and to the following named and described real
estate, to-wit: The homestead of the said
Frederick A. Clark, situated on Vernon
Street, in Bethel Hill Village, as occupied by
him at the time of his decease, such as to be
subject to the widow's right of dower, but to
include the reversion of the widow's dower
herein.
Dated this 11th day of December, 1895.
Elbury C. Park, Adm'r.

Scrofula From Birth
Other Medicines Utterly Failed
But Hood's Sarsaparilla Cured.

"Some time since, our boy then four
years old was in the hands of the family
doctor for treatment for scrofula. He
had been afflicted with this disease, such as to
be subject to the widow's right of dower, but to
include the reversion of the widow's dower
herein.
Dated this 11th day of December, 1895.
Elbury C. Park, Adm'r.

Only Temporary Relief.
We decided to give him Hood's Sarsapa-
rilla and are glad to say 6 bottles of
Hood's entirely cured him. Our oldest
daughter has been taking Hood's Sarsapa-
rilla for rheumatism with good results.
We have used from first to last some \$10
worth of the medicine and have received
the equivalent of several hundred dollars'
worth of doctor's treatment and good
health to boot. We cannot speak too
highly of Hood's Sarsaparilla as a blood
purifier. It is all that can be desired for it.
C. M. Myers, Windom, Kansas.

Hood's Pills act harmoniously with
Hood's Sarsaparilla.

LETTER
Of Interest to the Descendants of Jon-
athan Bean and his wife Abigail
Gordon Bean, Pioneers of the
Beans in Bethel, Oxford
County, Maine.

To all descendants of Jonathan Bean
and Abigail (Gordon) Bean, formerly of
Kingston, N. H. I am now writing a
History and Genealogy of their descend-
ants. I would respectfully ask all of
said descendants who have not sent in
their family records for this work to do
so at once, or if they will send a postal
card giving their name and address, I
will send printed question blank to be
filled out and returned to me. These
blanks greatly simplify the work, as the
questions can be readily answered. If
they miss this chance they will regret
it in the future, when it is too late to
have them inserted in this history. I
want all names and records of persons
who can trace their genealogy to the
pioneers, Jonathan and Abigail Gordon
Bean, of Standish and of Bethel.

I have the line of genealogy from
Jonathan back to the Scotch emigrant
who came from Scotland prior to 1680
and settled in Exeter on that year.

I hope all of the descendants will be
very prompt in sending in for blanks
and sending their family records. The
Bean Manuscript must be ready for the
Publisher next spring. Do not delay
about this offer but act at once.

My P. O. Address will be until fur-
ther notice, Wm. A. C. Soldiers' Home,
Wausau, Wis., where I shall devote all
of my time in writing my Bean manu-
script.

With Respect, Yours,
Peter S. Bean.
